Defendants have filed a motion in limine (filing 259). It appears that the court should defer consideration of this motion until at or about time of trial, unless some reason is shown why earlier consideration is warranted. Accordingly,

IT IS ORDERED that the motion in limine (filing 259) shall be held in abeyance and not considered until the first day of trial during the pretrial conference which will be held immediately prior to trial, unless a party shall show cause, within 10 days of this order, why such deferral would be inappropriate.
